

EPIC Detox Bundle

The Epic Detox Bundle includes our NEW MCM Detox Formulation with therapeutic doses of ingredients that not only assist in deep cellular and organ detox but also support mitochondria, cells and tissues, metabolism, and brain function ALL in ONE formula. With therapeutic doses of ingredients like N-Acetyl-L-Cysteine (NAC), Alpha Lipoic Acid, Glutathione, Citrus Pectin, Chlorella, Acetyl L-Carnitine, and Humic/Fulvic, you get superior binding and detox capabilities PLUS cellular, metabolic, mitochondrial, and brain support as well.

You would have to buy separate bottles of each to get the potent doses elsewhere, but due to our mission of driving costs down and making protocols easier and smaller for you, our NEW MCM Detox combines 4-5 bottles of supplements into ONE. Additionally, it now comes in a 180 count vs. a 90 count. This means 1 bottle lasts for 30 days.

This amazing bundle includes:

VegE Detox Cleanse

- Features 17 grams of certified organic, non-GMO, easy-to-digest pea protein per serving
- Has a delicious berry-vanilla flavor
- Does not contain dairy, gluten, and lactose. Sweetened with the natural herb stevia

Veg Detox Cleanse Plus is a functional food powder that contains a comprehensive combination of nutrients, antioxidants, herbs, fiber, and fruit and vegetable extracts to support effective detoxification.

MCM Detox Plus

A one-of-a-kind superior formula designed to eliminate the most common environmental toxins while also supporting critical aspects of healing and health, such as cellular integrity, mitochondrial function, liver and kidney function, and brain function, all without harsh side effects.

This unique formula excels in providing a truly comprehensive detoxification solution that addresses:

- Toxic metals, including aluminum, arsenic, cadmium, lead, mercury, and other heavy metals
- Toxic mold
- Environmental chemical toxins
- Radioactive materials

TCG Activation

This formula contains synergistic blends of carbon-based humic and fulvic minerals that are being touted as a “miracle compound” because of their dramatic positive effect on the body.

These soil-derived compounds known as fulvic/humic minerals are made up of short, medium, and long-chain carbons which allows them to be beneficial in many areas of the body, including the gut.

The Humic/Fulvic synergistic blends in TCG Activation has been shown to have many benefits for:

- Brain fog
- Detoxification of organs, cells and tissues

- Gut repair and healing for leaky gut
- Supporting the restoration of a healthy microbiome
- Directing water and nutrients into the cells
- Supporting Mitochondria function
- Binding, chelation, and detoxification of heavy metals, chemical toxins, and mold toxins

Advanced Liver GB Detox Complete:

Liver GB Detox Complete is designed to promote optimal activity during the body's detoxification processes, aiding in the efficient removal of environmental toxins. This advanced formula contains a carefully selected blend of ingredients to support comprehensive detoxification and enhance the activities of hepatic detoxification enzymes.

Liver GB Detox Complete supports:

- Increased Glutathione Production
- Antioxidant Support
- Healthy Liver Function
- Natural Anti-Inflammatory Agents
- Environmental Toxin Removal
- Promotion of Healing and Maintenance
- Enhanced Estrogen Clearance

This Bundle Includes the following:
