

Omega 1600: DHA/EPA

GLUTEN FREE, DAIRY FREE, SOY FREE, NON-GMO

Omega 1600: DHA/EPA is an omega-3 fatty acid formula, providing 1,600 mg of EPA+DHA per 2 softgels. This product is optimal for supporting the foundational needs of eicosapentaenoic acid (EPA) and docosahexaenoic acid (DHA) for long-term supplementation.

A balanced 1-to-1 ratio of EPA and DHA is similar to that found naturally in seafood and provides them with an equal opportunity to impart their function and optimize the corresponding body content.

Omega-3 Fatty Acids

EPA — Supports healthy brain function, positive mental outlook, skin health, normal cholesterol metabolism, and a healthy inflammatory response*

DHA — Supports proper brain development and function, vision, normal triglyceride metabolism, eye development, cell membrane integrity, and a healthy pregnancy for expectant mothers*

Benefits

- Supports cardiovascular health
- Promotes healthy lipid metabolism
- Promotes cell membrane health
- Supports neurological function and brain health
- Supports a healthy inflammatory response
- Supports joint health
- Supports skin, hair, and eye health
- Promotes positive mental outlook and mood balance

Omega 1600: DHA/EPA

Highlights

- Sustainably sourced Marine Stewardship Council (MSC)-certified wild Alaskan fish oils
- 1,600 mg (800 mg each of EPA and DHA) per 2-softgel serving in a 1:1 ratio
- Contains vitamin E isomers (as DeltaGold® delta- and gamma-tocotrienols) for enhanced stability and protection from rancidity
- Contains lipase to support digestion and absorption*
- Triglyceride (TG)-bound omega-3 fish oils (as TruTG™) for enhanced bioavailability — the same form naturally found in fish
- Molecularly distilled and filtered to ensure purity and to maximize the removal of metals, pesticides, PCBs, and other contaminants

Recommended Use:

Take 2 softgels per day with meals or as directed by your healthcare practitioner.

DeltaGold® is a registered trademark of American River Nutrition, LLC and protected by US Patent Number 8,586,109

Omega 1600: DHA/ EPA

Recommended Use: Take two softgels per day with meals, or as directed by your health care practitioner.

Warning: Consult your health care practitioner before use if you are taking blood thinning medication or are planning to have surgery.

Omega 1600 contains fish oil in its natural TG (triglyceride) form. All of our fish oil products are a minimum 90% natural TG bound omega-3 oils. Omega 1600 is molecularly distilled and filtered to ensure purity and to maximize the removal of metals, pesticides, PCBs, and other contaminants. Lipase is added to enhance the digestibility and DeltaGold® tocotrienols is added to enhance stability of the product.

DeltaGold® is a registered trademark of American River Nutrition, LLC and protected by US Patent Numbers 6,350,453 and 8,586,109.

Does not contain gluten, dairy, soy or GMOs.
