

# VegE Cleanse

*Food-based Metabolic Optimization and Detoxification*

## Advanced Metabolic Optimization and Detoxification in One Formula

- ✓ **Supports** the body's natural detoxification pathways while improving metabolic function.
- ✓ **Delivers** nutrient-dense superfoods and 13 grams of plant-based protein to aid cellular repair and combat inflammation.
- ✓ **Promotes** a balanced gut microbiome and supports healthy digestion and motility.
- ✓ **Packed** with powerful botanicals and superfoods to fuel overall health and vitality.

**VegE Cleanse** is a one-of-a-kind formula that **revolutionizes metabolic optimization** by combining food-based toxin elimination with robust metabolic and gut health support. Powered by **over 25 clinically effective, food-based ingredients like Black Spanish Radish Root Powder, Milk Thistle Extract, and Apple Pectin**, it delivers comprehensive gastrointestinal, blood, and cellular detox support while optimizing liver function, promoting reduced inflammation, and balancing the gut microbiome. With **13 grams of organic rice protein** in every serving, VegE Cleanse fuels the regeneration of cells, tissues, and DNA, fuels the body's detox pathways, enhances energy, and supports digestion—all in a single, convenient formula.

**VegE Cleanse** is designed to **reset metabolic pathways** by optimizing cellular energy production, balancing key metabolic processes, and enhancing nutrient utilization. This formula supports the body's ability to efficiently process and **eliminate toxins** while restoring metabolic function at the cellular level.

### **VegE Cleanse fuels:**

- Enzymatic reactions essential for detoxification.
- Mitochondrial efficiency, increasing energy and vitality
- Gut microbiome balance leading to improved **digestion, and overall metabolic health.**

Over 25 Powerful food-based ingredients including Black Spanish Radish, and Apple Pectin deliver full-spectrum metabolic support without the complexity of multiple supplements or protocols. **VegE Cleanse** also effectively supports liver health, reduces inflammation, balances gut bacteria, supports all phases of detox, and provides sustained energy for overall wellness.

This power-packed, nutrient-dense, food-based powder makes it easy to add to your daily routine. Mix it into a smoothie or beverage for a delicious, nutrient-packed metabolic engine boost.

What sets VegE Cleanse apart is its holistic approach to resetting and optimizing the body's metabolic engines while providing robust support for all phases of detoxification. It combines simplicity, efficacy, and the power of food-based nutrition to enhance the body's natural ability to optimize, cleanse, heal, and thrive.

### **Comprehensive Detox Support**

**Liver Detoxification:** Ingredients like Milk Thistle Extract, Black Spanish Radish Root Powder, Organic Beet Root Powder, and Globe Artichoke Powder enhance bile production, protect liver cells, and support the elimination of toxins.

**Gut Health Optimization:** Apple Pectin, Organic Alfalfa Juice Powder, and Fennel Seed Powder promote a healthy gut microbiome and improve digestion, which is essential for toxin removal.

**Inflammation and Antioxidant Support:** Black Spanish Radish Root Powder, Organic Broccoli Powder, Brussels Sprouts, and Burdock Root Powder reduce oxidative stress and support cellular health.

**Energy and Protein Boost:** With 13 grams of plant-based protein from Organic Rice Protein and Flax Meal, VegE Cleanse supports energy production, cellular and DNA repair, and metabolic efficiency.

## Advanced Formula Highlights

**Plant-Based Protein Foundation.** Organic Rice Protein and Flax Meal form the cornerstone of the formula, delivering essential amino acids to support cell, tissue, DNA repair, metabolic processes, and sustained energy levels.

**Superfood and Antioxidant Blend.** Nutrient-dense ingredients like Organic Kale Powder, Brussels Sprouts, and Organic Broccoli Powder provide a rich source of vitamins, minerals, and antioxidants to neutralize free radicals and protect against oxidative stress.

**Gut Microbiome Support.** Apple Pectin, Organic Alfalfa Juice Powder, and Juniper Berry nourish beneficial gut bacteria, promote digestive health, and enhance nutrient absorption.

**Metabolic and Inflammatory Balance.** Ingredients such as Organic Beet Root Powder, Fenugreek Extract, and Organic Carrot Powder support metabolic function and reduce systemic inflammation.
