

Vitamin D3 5000 + K2

Bone health, cardiovascular function, and overall well-being.

Vitamin D3 5000 + K2 is a specially formulated that combines the benefits of Vitamin D (as Cholecalciferol) and Vitamin K (as Vitamin K2 Menaquinone-7). This powerful duo works together to support bone health, cardiovascular function, and overall well-being.

This formulation not only aids in maintaining healthy bone density but also plays a critical role in cardiovascular health. The combination of Vitamin D3 and K2 ensures optimal absorption and utilization of calcium in the body, directing it to where it's needed most.

Ingredient Highlights

- **Vitamin D (as Cholecalciferol)**

Essential for healthy bones and teeth, Vitamin D also supports the immune system and muscle function.

- **Vitamin K (as Vitamin K2 Menaquinone-7)**

This form of Vitamin K is highly effective in directing calcium to the bones and away from arteries, thus supporting both bone and cardiovascular health.

Recommended Use: Take one capsule daily, preferably with a meal or as directed by a healthcare practitioner.

Consult with your Integrative Holistic Health Coach or other healthcare provider about your specific circumstances and any questions you may have.
